

Good Morning,

Because your safety and your time are very important to us, Evo is providing all residents with unlimited access to an online, interactive fire life safety training system. **Each member of your household can be prepared for the unexpected emergency.**

- **Fast** – Complete all modules in about 20-30 minutes or topic by topic at your own pace
- **Convenient** – Log in anytime 24/7 with unlimited usage
- **Rewarding** – Receive instant personalized certificate of completion for each topic
- **Informative** – Loaded with emergency preparedness information, resources and links
- **Required by Law** – Federal, State and Local codes require training for your personal safety

IF YOU NEED SPECIAL ASSISTANCE DURING AN EVACUATION – please click on the **“My Account”** tab once you log in and add/remove yourself from the Special Assistance List.

Quick Start Instructions –

1. Go to <https://firelifesafety.aus.com/register.aspx> by clicking on the link, or by copying and pasting into your web browser's address bar.
2. Enter your registration code **FCE4F1E**. This code connects you to your personalized training, building specific emergency evacuation maps, manuals and other life safety resources for work, home and family.
3. Fill in all the remaining fields and choose your personal password
4. Click the **“Sign In”** button and you'll be taken straight to your building's home page.

Training courses that are included within the Safety Training –

1. Fire residential
2. Earthquake residential
3. Medical emergency residential
4. Power failure
5. Bomb threat

For all future log ins all you will need is your email address and your personal passwords. Log in at any time at <https://firelifesafety.aus.com>

If you have any questions or need any assistance please email fls.support@aus.com or Frodriguez@actionlife.com

All the information above can also be found at www.evohoa.com.

Thank you for your time!
